

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

**Summary & Background**

HARLEM VILLAGE ACADEMY WEST 2 CS

310500861149

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

**ARP-ESSER Application – Part 1:** The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

**ARP-ESSER Application – Part 2:** The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

**Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

**Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

**Submission Deadline**

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Summary & Background

---

**APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS**

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Submission Instructions

---

**Submission Instructions**

HARLEM VILLAGE ACADEMY WEST 2 CS

310500861149

**Directions for Submitting the Application:**

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

**Deadline for Submitting the Applications:**

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

- 1. Does the LEA intend to apply for American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding?**

Yes, the LEA intends to apply for Elementary and Secondary School Emergency Relief (ESSER) funding.

- 2. Please provide contact information for the LEA Business Official and Board President. Please confirm that each individual has reviewed and approved of the application, including all plan descriptions and use of funds.**

	Name	Email Address	Date of Final Review/ Approval
LEA Business Official	Chuck Klein	cklein@harlemvillage.org	09/30/2021
LEA Board President	David Zwiebel	dzwiebel@harlemvillage.org	09/30/2021

**ARP-ESSER Allocation - Construction-Related Costs**

- 3. Does the LEA intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding for construction-related expenditures?**

No, the LEA does not intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) funding for construction-related expenditures.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

HARLEM VILLAGE ACADEMY WEST 2 CS

310500861149

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

**NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.**

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

HVA leaders and teachers closely monitor student literacy and math performance throughout the school year. During remote learning, it became apparent to HVA leaders and teachers that some students needed additional support, as a result of the COVID-19 pandemic. HVA became aware of these issues through feedback from families both verbally as well as through surveys. The surveys are a method of ensuring that the school involves families and engages in strong family connections to ensure that we continually improve to serve our children. The questions included: Do you have any concerns that we can address for you? In addition we asked: What is your preferred language and method of communication?" HVA ensured that parent voices were heard through the surveys which had a response rate in the high 90's. The outstanding survey response rate was a result of HVA leaders and faculty reaching out to families at the beginning of the pandemic to ensure that families were fully supported in every way including academically, emotionally, had enough food, and had access to a computer and Wi-Fi. HVA leaders then collaborated with department heads, grade team leaders, and educational consultants to research and agree upon a solution to address learning loss and other parent concerns from the surveys. Ultimately, the consensus resulted in an emphasis on addressing the academic impact of lost instructional time. HVA, collectively, elected to leverage the summer as an instructional opportunity and launch our 2021 Summer Learning Program which provided high dosage, small group tutoring; providing 1:5 consistent academic support to students in need of academic, social, emotional, and mental support. Additionally, after consulting with staff and faculty to further this program during the school year, HVA elected to hire Interventionists to continue our efforts to provide a high quality and high dosage instructional model throughout the school year to combat learning loss. HVA will continue to access parents and students concerns by regularly surveying the HVA community.

**ARP-ESSER Application: Part 2 - ARP Act**

## LEA ARP-ESSER Plan - ARP-ESSER Plan Development &amp; Program Information

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

<https://harlemvillageacademies.org/about/our-schools/charter>

**ARP-ESSER LEA Base 90% Allocation - Program Information**

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

HVA has partnered with Hensel Phelps, our facilities manager, to implement many additional procedures to ensure HVA grounds and buildings are safe and operational according to COVID-19 safety requirements. Hensel Phelps works closely with internal divisions dedicated to environment, health, safety, and procurement to provide a safe and sanitary environment for staff and students. Hensel Phelps adheres to guidelines from the U.S. Centers for Disease Control and Prevention by increasing cleaning frequencies and disinfecting high-touch surfaces throughout each private campus. Hensel Phelps has developed and implemented operational plans to sustain enhanced cleaning & disinfecting frequencies for all high-use areas when the schools reopen, in addition to regular cleaning services, enhanced sanitation, and disinfection during periods of closure. Hensel Phelps also provides intensive training to HVA and HP staff in order to meet or exceed the safety measures according to the CDC guidelines and Department of Public Health protocols. Hensel Phelps has retrofitted most of the building air-handling system filters to Minimum Efficiency Reporting Value (MERV) 13 to 16 filters, as well as, inspect, clean, and maintain all building air-handling systems quarterly or as needed. HVA will also administer weekly COVID-19 testing for students, at random, to ensure the safety and well-being for all students, staff and educational partners.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

HVA has strategically and thoughtfully planned highly effective, research-based interventions in response to and in order to support students' academic growth and social, emotional, and mental health. First, HVA designed and implemented a robust tutoring program that takes place afternoons and Saturdays, grounded in research on high dosage tutoring. The tutoring program provides a 45-60 minutes of effective tutoring 3-4 times per week to students in small groups with a small student-tutor ratio. In order to support the quality of this program, a Tutoring Manager was hired to design curricula, train tutors and provide instructional coaching. School systems ensure that student progress is monitored on a weekly and monthly basis through qualitative classroom observation and coaching as well as formal review of data from the Fountas & Pinnell reading assessment and math interim assessments which include formal teacher training, leadership coaching, and data-driven planning on a weekly and monthly basis. Data analysis is conducted on a regular basis to plan instruction, small group interventions, and individualized student support. In addition, we designed small group intervention as a regular feature of the daily schedule to provide targeted academic interventions for students in ELA and math. For example, all schools provide guided reading and elementary schools provide math coaching, using programs such as ST Math for K-2 students and Study Island and Dreambox for 3-5.

HVA also closely monitors students' social, emotional, and mental health or SEMH. Students SEMH is primarily monitored by HVA's social workers who receive ongoing training and monitoring. Social workers at HVA use multiple data sources to identify students' SEMH including formal review of counseling referrals, teacher statements, family surveys, attendance data, IEPs, DASA reports, ACS reports, and McKinney Vento reports. In addition, we engage parents to help our Social Workers identify students' SEMH through in-person conferencing, phone calls, emails, text messages, and meetings. Social Workers address SEMH issues through planned interventions including counseling and individualized support. The planned interventions and supports utilized at HVA are mandated as well as non-mandated counseling, external psychiatric and family counseling, advisory lessons on important SEL topics, student workshops and student mentoring. HVA regularly monitors students SEMH through the practices mentioned above.

## ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

HVA launched a Summer 2021 Learning Program which provided high dosage tutoring for our students in need. During the program, HVA provided Guided Reading and Close Reading for three 2-week cycles of tutoring, and developed curriculum for Close Reading and Novel Studies for Middle School tutoring. ELA tutors met with groups of 3-6 students organized by their reading level for 1.5 hours per day. Tutors worked with their students on critical reading comprehension skills to support their growth, and math tutors met with groups of 3-6 students for 1.5 hours per day to review foundational skills from the previous year. The program resulted in significant academic gains that enabled teachers and students to hit the ground running this school year; an outcome which prompted us to implement the same program during the summer of 2022.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

HVA partnered with Center for Responsive Schools whom trained dozens of staff and leaders on student-centered, social and emotional learning approaches to teaching and discipline. These trainings were comprised of a set of research, and evidence-based practices designed to create safe, joyful, and engaging classrooms and school communities for both students and teachers. HVA will also continue to purchase supplies to sanitize and clean our facilities. Additionally, HVA will purchase educational technology, such as Chromebooks, for each of our incoming students, as well as, continuing to provide technology for online learning to all students.

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

The 2021 and 2022 Summer Learning and Afterschool Program will provide hours of extra support and intervention to students experiencing academic, social, emotional, and mental setbacks as a result of their time out of the classroom, in addition to access to high quality curriculum and assessments. The program addresses learning loss and students experiencing adverse effects due to the pandemic, as well as, lesson planning, instructional management planning, data analysis and real time coaching for teachers to address the academic impact of lost instructional time.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

**ARP-ESSER Return to In-Person Instruction**

HARLEM VILLAGE ACADEMY WEST 2 CS

310500861149

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://harlemvillageacademies.org/covidsafety/> - Link to where our plan is included in our website.

[https://harlemvillageacademies.org/wp-content/uploads/2021/12/HVA\\_COVID-19-Safety-Plan\\_Dec2021.pdf](https://harlemvillageacademies.org/wp-content/uploads/2021/12/HVA_COVID-19-Safety-Plan_Dec2021.pdf) - Link to plan.

## ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

As we launch in-person learning for the first time in 15 months, we are adjusting our protocols to align with CDC recommendations, NYSDOH requirements and NYSED guidelines. We will assess the overall situation in New York City, including infection rates, family and staff perspectives, attendance rates, and the viability of public transportation. We will also learn from observing the actions and experiences of other educational institutions to determine if it is appropriate to transition to a hybrid environment in which students have the option of remote or in-person instruction. All staff and students are committed to implement and practice COVID-19 safety procedures and regular communication with families will occur from each school. In an emergency, we would use email and text communication to notify impacted families of any important information. The mass mailing technologies employed would be the same that were used when school shut down in March 2020. We are committed to ensuring a safe and productive environment for our students and staff members. HVA will stay abreast of any, and all, regulatory changes via regular attendance at webinars held by the NY Charter Association and NYC Charter School Center who host representatives from the NYC Department of Education, NYC Department of Health and Mental Hygiene, and NYS Education Department. HVA will also engage families and students through surveys, which have been a very successful method of sourcing inputs from HVA families. Surveys will be frequent and will consist of open-ended questions to receive as much input from families as possible.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. Please complete the chart below by identifying the funds being used to support each allowable activity. Please respond with "0" to indicate that no funds are being assigned to a given activity. PLEASE NOTE - All proposed expenditures must be reflected within the FS-10 budget form AND budget narrative to clearly align with this item.

	FUNDING Amounts (\$)
1 - Any activity authorized by the ESEA, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.).	0
2 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.).	0
3 - Any activity authorized by the Adult Education and Family Literacy Act (AEFLA) (29 U.S.C. 3271 et seq.).	0
4 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V) (20 U.S.C. 2301 et seq.).	0
5 - Any activity authorized by subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (McKinney-Vento) (42 U.S.C. 11431 et seq.).	0
6 - Coordinating preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.	0
7 - Providing principals and other school leaders with the resources necessary to address the needs of their individual schools.	0
8 - Activities to address the unique needs of low-income children or students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, including how outreach and service delivery will meet the needs of each population.	92,034
9 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs.	0
10 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases.	0
11 - Purchasing supplies to sanitize and clean the facilities of the LEA, including buildings operated by such LEA.	20,000
12 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other education services can continue to be provided consistent with all Federal, State, and local requirements.	19,000
13 - Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.	18,000
14 - Providing mental health services and supports, including through the implementation of evidence based full-service community schools.	0
15 - Planning and implementing activities related to summer learning and enrichment and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children and youth in foster care.	97,715
16 - Addressing the academic impact of lost instructional time among an LEA's students (including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care) by: a) Administering and using high-quality assessments that are valid and reliable to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction; b) Implementing	92,035

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

**ARP-ESSER LEA Base 90% Allocation - Budget**

**PLEASE NOTE** - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

**Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.**

- Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**

FS-10 HVA 2 - Signed.pdf  
 FS-10 HVA 2 Updated - Signed.pdf

- Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.**

Budget Narrative HVA 2.pdf

- Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.**

	Total Funds (\$)
